

Comet Class

Term 6

Literacy	<p>What we are doing:</p> <p>In literacy we are following the Read Write Inc Programme. The students are in Phonics Groups which allows their learning to be targeted specifically to them.</p> <p>How you can help at home:</p> <p>Continue to expose your child to sounds through different activities, including stories and songs.</p>
Math's	<p>What we are doing:</p> <p>In Math's we are going to be working on our pre-key stage standards math's targets. In addition to this we are going to be looking at Position and Direction, we will also look at money following the White Rose Math's scheme. We will do this through songs, games, worksheets and exploration.</p> <p>How you can help at home:</p> <p>Continue to expose your child to early mathematics vocabulary in relation to position and direction. We will also look at using money, so encourage students to help you when paying for something using cash.</p>
History	<p>How school will do this:</p> <p>In History, we are going to look at The First Aeroplane Flight. We explore this through our senses, role play, junk modelling and a trip.</p> <p>How you can help at home:</p> <p>Exposure your child to planes. Talk about where you may go on a plane, have you been on a plane before?</p>
Science	<p>What we are doing:</p>

	<p>In Science we are going to look at ‘Seasonal Changes’, we will explore the transition from Spring to Summer. We will be doing lots of crafts, songs and sensory activities.</p> <p>How you can help at home:</p> <p>Expose your child to the seasons.</p>
Cooking	<p>What we are doing:</p> <p>In Cooking, we are going to be making lots of delicious treats! The students will be working on their fine motor skills in the cooking room; they all love to activate the electric whisk with the switch.</p> <p>How you can help at home:</p> <p>Continue to expose your child to cooking.</p>
Forest School	<p>What we are doing:</p> <p>In Forest School, we are going to look at the environment during Summer.</p> <p>How you can help at home:</p> <p>Explore the outdoors during Summer!</p>
PE	<p>What we are doing:</p> <p>Students will be looking at Inter house athletics and taking part in track events such as slaloms and races and field events such as rolling, target activities to compete for their houses and link and practice for sports day.</p> <p>How you can help at home: Watch sport events around athletics and give opportunities around races in any form around the house.</p>
