## **Pupil Premium Funding – Spending Plan 2018/19**

| 1. Summary information |                |                                  |         |  |             |  |  |
|------------------------|----------------|----------------------------------|---------|--|-------------|--|--|
| School                 | Valence School |                                  |         | Type of SEN:                                   | PD          |  |  |
| Academic Year          | 2018-19        | Total PP budget                  | £22,495 | Date of most recent PP Review                  | November 17 |  |  |
| Total number of pupils | 101            | Number of pupils eligible for PP | 22      | Date for next internal review of this strategy | April 19    |  |  |

| 2. Current attainment   |                        |   |  |  |  |
|---|------------------------|---|--|--|--|
|   | Pupils eligible for PP | Pupils not eligible for PP (28 pupils not including KS4&5 or Non subject based classes) |  |  |  |
| % on track with targets in Reading (19 pupils)                          | 84% (16/19)            | 91%   |  |  |  |
| % on track with targets in Writing (19 pupils)                          | 79% (15/19)            | 50%   |  |  |  |
| % on track with targets in Speaking and Listening (19 pupils)           | 89% (17/19)            | 78%   |  |  |  |
| % on track with targets in Maths (19 pupils)                            | 84% (16/19)            | 74%   |  |  |  |
| % on track with targets within ImPACTS pre-formal curriculum (3 pupils) | 100% (3/3)             | n/a   |  |  |  |

| 3. Ba  | 3. Barriers to future attainment (for pupils eligible for PP )  |  |  |  |  |
|--------|---|--|--|--|--|
| All s  | students at Valence face significant barriers to learning because of their individual conditions – these barriers are of greater impact than those caused by socio-economic factors |  |  |  |  |
| In-sch | In-school barriers  |  |  |  |  |
| A.     | Access to consistent approach from teaching staff with regard to teaching of English and Maths  |  |  |  |  |
| B.     | Access to reading/maths activities daily – especially for those KS3 and beyond  |  |  |  |  |
| C.     | Access to consistent approach from support staff with regard to pre-formal and semi-formal learning and targeted work within this   |  |  |  |  |
| D      | Access and inclusion within citizenship activities, charitable events and whole school celebrations   |  |  |  |  |
| Extern | External barriers   |  |  |  |  |
| E.     | Physical disability and complex medical needs   |  |  |  |  |

| 4. ( | 4. Outcomes   |  |  |  |  |
|------|---|--|--|--|--|
|      | Desired outcomes and how they will be measured  | Success criteria   |  |  |  |
| A.   | Pupil Premium students to have improved progress in English and Maths   | Students to be on track to make good progress in English and Maths   |  |  |  |
| В.   | Pupil Premium students to have access to daily reading and maths activities additional to English and Maths lessons               | Daily access to ERIC a Numicon activities to further improve progress in English and Maths                                   |  |  |  |
| C.   | Pupil Premium students to receive quality learning opportunities within their pre-formal or semi-formal learning pathways         | Students to be on track to make good progress against the pre-formal or semi-formal learning pathways                        |  |  |  |
| D.   | Pupil Premium students to access and be fully included in citizenship activities, charitable events and whole school celebrations | Students to deepen their knowledge and experience of citizenship activities, charitable events and whole school celebrations |  |  |  |

## 5. Planned expenditure

2018-19 Academic year

The three headings below enable schools to demonstrate how they are using the Pupil Premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

## i. Quality of teaching for all

| Desired outcome  | Chosen action/approach      | What is the evidence & rationale for this choice?   | How will you ensure it is implemented well?  | Staff<br>lead | When will you review implementation? |
|--|-----------------------------|---|--|---------------|--------------------------------------|
| Continuation of specialist Maths staff (relates to barriers A&B) | Whole school and individual | The continuation of specialist Maths staff allows pupils to received targeted high quality teaching from a specialist. More time is being spent on providing individual resource for pupil to further support their learning both inside and outside the classroom. | Tracking of pupils' progress and continual reviews with Senior Leadership Team. Pupil input and feedback on implementation | MS,ZB         | End of Term 2, 4 and 6               |
| Continuation of a Reading TA (relates to barriers A&B)           | Whole School and individual | The reading TA allows children to receive targeted high quality teaching from a specialist. More time is spent on providing individual resources for children to further  | Tracking of pupils' progress and continual reviews with Senior Leadership Team. Pupil input and                            | MS,ZB         | End of Term 2, 4 and 6               |

Total budgeted cost | £12,055 Contribution towards £39,534 2x FT

£4000 resources

## ii. Targeted support

| Desired outcome  | Chosen action/approach   | What is the evidence & rationale for this choice?   | How will you ensure it is implemented well?  | Staff<br>lead | When will you review implementation? |
|--|--|---|--|---------------|--------------------------------------|
| Pupil Premium students to receive quality learning opportunities within their preformal or semi-formal learning pathways (relates to barriers C)         | Creation of specific<br>learning pathway<br>curricula approach and<br>specialist training for<br>staff | Pupils who receive appropriate and matched teaching approach for their learning style can be targeted to make specific progress within the preformal or semi-formal pathway   | Staff will have training so they can support students in preformal or semi-formal learning. Through MER and progress tracking the senior leadership team will be sure that this is working well. | MS, ZB,<br>JB | End of Term 2, 4 and 6               |
| Pupil Premium students to use specific quality learning resources and activities within their pre-formal or semi-formal pathways (relates to barriers C) | Resources purchased specifically to enhance learning within curricula approach                         | Numicon - visual resource which supports students in learning their fundamental mathematics skills.  Sensory resources – specific resources to aid cognition, communication and fine motor skills as part of preformal learning | Tracking of pupils' progress and continual reviews by Senior Leadership Team with Pupil input and feedback on implementation   | MS, ZB,<br>JB | End of Term 2, 4 and 6               |
|  |  |   | Total budget   | ed cost       | £6000 training                       |

| iii. Other approaches (including links to personal, social and emotional wellbeing)  |   |  |  |               |   |
|--|---|--|--|---------------|---|
| Desired outcome  | Chosen action/approach  | What is the evidence & rationale for this choice?  | How will you ensure it is implemented well?  | Staff<br>lead | When will you review implementation?                  |
| Pupil Premium students to access and be fully included in citizenship activities, charitable events and whole school celebrations (relates to barrier D) | Ensuring that pupils have access to resources and activities that deepen their role as a citizen and involvement in school events | With enhanced access to well-resourced events and activates, pupils will deepen their involvement, experience and knowledge base as aa citizen (at least 4 events per school year) | Through tracking involvement in events and activities.  Improved school attendance records | MS, ZB,<br>JB | Ongoing<br>Formally tracked at end of<br>Term 4 and 6 |
| Total budgeted cost  |   |  |  | ed cost       | £440 (£20 per pupil x 4 events)                       |

| 6. Review of expe              | ilululu                     |  |   |                                  |  |  |
|--------------------------------|-----------------------------|--|---|----------------------------------|--|--|
| <b>Previous Academic</b>       | : Year                      | 2017-18  |   |                                  |  |  |
| i. Quality of teach            | ning for all                |  |   |                                  |  |  |
| Desired outcome                | Chosen action/approach      | Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.   | Lessons learned (and whether you will continue with this approach)  | Cost                             |  |  |
| Recruitment of new<br>Maths TA | Whole school and individual | The addition of a maths TA allowed pupils to received targeted high quality teaching from a specialist. More time is being spent on providing individual resource for pupil to further support their learning both inside and outside the classroom.   | More time will be spent on developing the TA's work outside of the class room. This has been a successful approach and has continued into 2018-19 | Contribution towards<br>£19.7676 |  |  |
| Continuation of Reading TA     | Whole school and individual | The addition of a Reading TA allowed pupils to received targeted high quality teaching from a specialist. More time is being spent on providing individual resource for pupil to further support their learning both inside and outside the classroom. | More time will be spent on developing the TA's work outside of the class room. This has been a successful approach and has continued into 2018-19 | Contribution towards £19.7676    |  |  |
| ii. Targeted suppo             | ort                         |  |   |                                  |  |  |
| Desired outcome                | Chosen action/approach      | Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.   | Lessons learned (and whether you will continue with this approach)  | Cost                             |  |  |

| Additional Maths resources - Numicon Maths programme. | Individual support for students weekly  | Pupils using Numicon maths made significate improvements and all pupils ended up working the upper quartile range.        | More staff will be trained in using Numicon so it can benefit students outside of maths. Looking into programs past NC Level 3 for children who secure NC Level 3. | £668    |  |  |  |
|---|---|---|--|---------|--|--|--|
| iii. Other approach                                   | iii. Other approaches (including links to personal, social and emotional wellbeing) |   |  |         |  |  |  |
| Desired outcome                                       | Chosen action/approach  | <b>Estimated impact:</b> Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate. | Lessons learned (and whether you will continue with this approach)   | Cost    |  |  |  |
| Regular daily reading sessions (ERIC)                 | Whole class support for students daily  | ERIC session have contributed to overall ready progress across the school   | To continue to raise profile of these sessions and ensure they are well resourced with new books   | ongoing |  |  |  |
