

TRAINEE TEACHER for P.E. or ART

Full Time - 1.0 FTE - 1 academic year

Qualified Teacher Status (QTS) accredited by Canterbury Christ Church University

Would you like to become an excellent teacher?

Valence School has 2 vacancies for School Direct placements starting September 2023 for P.E. and Art.

The School Direct programme is delivered in partnership with schools, providing a SEN-specific in-school training programme. The key feature of this course is that the majority of the year is spent on placement working alongside experienced colleagues within the school. You will be assessed regularly throughout the course against the teaching standards and will become qualified to teach in both mainstream and SEN settings.

The course aims to harness the knowledge and experience of school colleagues in the delivery of courses, working in partnership with the experience of accredited Initial Teacher Training (ITT) providers. Schools, and the mentors within them, provide the vast majority of the training. Schools benefit by being more directly involved in student recruitment and the delivery of the course.

For the Art ITT you will be based in the Art Department and PE ITT you will be based in the PE department, both will include a one term placement in a mainstream setting.

The course will take one academic year to complete.

You will need to have a degree (hons, 2nd class and above preferred) and English and Maths GCSE (Grade C and above).

The PE position is a School Direct **non salaried** position (see Fees and Finance section for further information).

The ART post is a School Direct **salaried** position.

Both provide the opportunity to gain a PGCE (self funded).

For further details please visit www.valenceschool.com > work for us or contact Zena Belton for further information

Applications open from 11 October 2022 on a rolling recruitment so you are encouraged to apply early

Valence School is committed to safeguarding and promoting the welfare of every student and we expect all our staff and volunteers to share this commitment. Valence School is committed to valuing diversity and promoting equality for all.

References will be taken up before interview and online checks undertaken for shortlisted candidates. The successful applicant will require an enhanced DBS check (this post is subject to the Rehabilitation of Offenders Act).
